And What A Night It Was!

We had superheroes galore at the eighth annual "A Night of Smiles" Art Auction on October 6, 2018. A record number of supporters came out to hear our special speaker, BethAnn Telford, brain cancer survivor and 2017 World Race Challenge competitor. Our superhero kiddos shared their wonderful creations with us during the live auction. Over 150 silent auction art pieces, crafts, and gift baskets were on display, and over \$20,000 was raised to spread smiles to children in our region with life-threatening or chronic conditions. Thank you to our wonderful sponsors, supporters, and everyone who participated!

Thank You Notes from the Kiddos

(ABOVE) For a little girl scared of the idea of the hospital, she had to face her fear quickly. The end of September, we were admitted to determine if Colleen was having an appendicitis attack or not. After a scary night, there was a knock on the door, and we received a Caitlin's Smiles bag. She was so excited to feel like someone cared besides Dad and Mom. This was the first smile we had seen in 24 hours. Thank you!!!
