

Foam Doorhanger Kit Instructions

In each kit, you should put these things
in a “newspaper” bag:*

- 1 foam door hanger
- 6 foam stickers – *some large, some small*
- 1 “We Hope You Have Fun” insert

→Then “burp” the bag and tie a knot.

Thanks!

**If you don't have newspaper bags, you can use a regular fold-over sandwich baggie with the stickers in it, then tie it to the door hanger with a piece of yarn.*
