

A NOTE FROM CHERYL

The warm weather is finally here, and we are enjoying some sunshine in between the rains! As you are starting to plan your warm weather activities, consider coming in and volunteering with your friends or family! We are going to post daytime volunteer opportunities for the summer and are currently booking summer church groups, vacation bible schools, and camp volunteer opportunities. Consider getting your group involved!

If you'd like to volunteer, you can sign up to come in to our office for a craft night, family craft afternoon, or a Saturday through the [homepage](#) on our website. If you are interested in bringing a group, you'll need to contact our Volunteer Manager, Skip Wachter, at volunteer.caitlinssmiles@comcast.net or at 717-412-4759. Virtual opportunities are listed on our website.

Amazon Day at Caitlin's Smiles

Amazon Day has become a yearly event at Caitlin's Smiles and for many area Amazon employees. The day highlighted the Amazon associates' collection of Play-Doh for our organization, but it has become so much more than that. Many of the Amazon facility teams participate in what they call "The Battle of the Buildings." In its fifth year, this battle is a contest where employees at many Amazon facilities throughout the region work together to be the facility that will collect the most Play-Doh to be donated to Caitlin's Smiles. The Play-Doh is then distributed in Bags of Smiles and Coping Kits by our organization to children in medical facilities.

For **Freda Clark** of PHL5 in Lewisberry, it was a return to Caitlin's Smiles Amazon Day. She was here for the first one. "I love being here. I do. It's fun," she said. "It's always nice to do things to help other people. A lot of people helped when I was down and out. It's nice to give back." **Chaz Parker** of Amazon's DAE3 in Hazleton was unfamiliar with Caitlin's Smiles before the Play-Doh drive and signing up for the volunteering event. "I said I'd like to try that," he said. "It's a far drive for people at my site. It's my first time here, but it's not going to be my last. I like the whole concept. The kids. I'm a big kid myself. We can pay it forward."
