There's a lot happening at Smiles Central this Spring! Most importantly, April is National Volunteer Month.

Volunteers are essential to our organization. We're fortunate to have so many eager and dedicated volunteers. Whether it's once a week or once a year, volunteers return time and time again to help make the days better for children in medical facilities. We welcome new volunteers every month, too. Interested in volunteering? [Click here.](#)

During the month of April, we are showing appreciation for the army of volunteers who do what needs to be done. They pack kits, decorate bags, create cards, pack Bags of Smiles, assemble Coping Kits, help with events, sort & stock donations, deliver to hospitals, and complete countless other tasks.

During February's "Have A Heart Day," several of the volunteers were asked to share their thoughts about volunteering. Those stories are [featured on our website](#) and will be [shared on our Facebook page](#) throughout April.

One story features 7-year-old Danica and her mother, Michelle, who traveled 240 miles from northwest Pennsylvania to volunteer. AMAZON DAY

Amazon associates from throughout the region came together to help the children served by Caitlin's Smiles. Starting on Monday, March 20th, and continuing throughout the following week, employees donated Play-Doh and spent time volunteering for the cause. In addition to their combined donations of 27,500 cans of Play-Doh, the Amazon volunteers spent time packaging craft kits, creating cards of encouragement, and decorating the paper bags used to hold the contents of our signature Bag of Smiles.
