**Have A Heart Volunteer Day** was an enormous success. One hundred eighty-three eager volunteers filled two sessions to complete tasks to help with our outreach to children in medical facilities. Smiles were everywhere! When the day was done, thousands of kits were assembled, plus hundreds of cards and bags were decorated with encouraging words and fun drawings. Special thanks to Linglestown Life United Methodist Church for hosting the event. The final numbers for 2023 are in! With your help, **152,454** children in medical facilities were provided with activities through our Bags of Smiles, Coping Kit, Craft Kit, and Holiday Toy programs. That is up **26,000** from the previous year. Thank you, donors, and volunteers. You make it happen!
