March marks Caitlin's Smiles 22 years of sending smiles to children in medical facilities. In March of 2004, Cheryl Hornung began Caitlin's Smiles in memory of her daughter. Though Caitlin passed in 2000, her smiling spirit is kept alive through the work of Caitlin's Smiles.

2.8 million children have benefited from our Bags of Smiles, Coping Kits, Craft Kits, and toys. These items are supplied to 200+ medical facilities in Pennsylvania and the surrounding states.

This amount of outreach could not have happened without the incredible support from you and all our supporters. If you'd like to donate in honor of our 22 years [CLICK HERE](#).

March is Amazon Play-Doh Month at Smiles Central.

Every year since 2018, Amazon associates compete to see who can collect the most Play-Doh for Caitlin's Smiles. These donations are personally made by the workers themselves. Last year they donated 50,000 cans! We can't wait to see what they do this year! In addition to their donations, they spend time volunteering with us on our annual Amazon volunteer day in late March and are in volunteering throughout the year from a variety of warehouses.

Thank you, Central Penn AAA

Last month, they partnered with us to bring comfort, creativity and smiles to children in medical facilities by having their employees and members help to assemble our Coping Kits. This was the 7th year of this collaboration. AAA Cares supplied all the materials. For more information, visit their link:
