April is National Volunteer Month!

Volunteers are essential to our organization. We're fortunate to have so many eager and dedicated volunteers. Whether it's once a week or once a year, volunteers return time and time again to help make the days better for children in medical facilities. We welcome new volunteers all the time.

Cheryl, Russ & Dani Horning have recently established an organization in honor of Abby, who died by suicide in 2024 with help from The Foundation for Enhancing Communities (TFEC).

Abby's Angels is a separate entity from Caitlin's Smiles. Among the programs so far are a scholarship for students who are pursuing a degree in social work or a related mental health field, acts of appreciation for staff members at mental health facilities, and filling in the gaps by providing personal care items, blankets and other items for patients. In March, Caitlin's Smiles office was the site of a QPR training session to train people on how to recognize a crisis and the warning signs that someone may be contemplating suicide. ABC27 covered the session. [To learn more about Abby's Angels and to see the news report, click here.](#)

Amazon Play-Doh Day

Thanks to all the Amazon associates who pitched in to collect 30,000 cans of Play-Doh! Building MDT4 out of York, PA won the Battle of the Buildings by collecting the most Play-Doh. Our Bags of Smiles have 2 cans of Play-Doh and our Coping Kits have 1 can. Last year, 49,000 cans of dough were provided to children in medical facilities through our outreach. Thanks to Caitlin's Smiles' board member, Mary Ellen Mathis, for her dedication to this project!
